## Mega Mendung, Indonesia, 3 October, 2013

On 3 October, under the patronage of the Indonesian Supreme Court, the ICCA Judicial Committee in cooperation with the BANI Arbitration Centre will organise a full day New York Convention Road Show in Indonesia at the Supreme Courts training facility in Mega Mendung. ICCA Governing Board Member Professor Albert Jan van den Berg will conduct the workshop.

The workshop will focus on international arbitration and the New York Convention. It will feature an interactive review of important case law on the Convention in Indonesia and other Contracting States. Course materials will be available on [www.newyorkconvention.org](http://www.newyorkconvention.org).

The workshop is by invitation only. Around 30 Indonesian Supreme Court and District Court Judges will participate. Participants will be given a copy of ICCA's Guide to the Interpretation of the New York Convention.

## Judicial Workshops

During ICCA's judicial workshops, experts from the ICCA Judicial Committee examine the Convention's objectives, suggesting methods of interpreting and applying its text in accordance with best international practice. Experts provide an article-by-article review of the Convention, explaining its doctrine and application, and identifying issues raised by applications based on the Convention. Such applications may concern either the recognition and enforcement of a foreign arbitral award, or the referral to arbitration of a matter filed before a court.
