Welcome Message from the Chairman of the Host Committee of ICCA Mauritius 2016

On behalf of the Host Committee of ICCA Mauritius 2016, I have the pleasure of extending a very cordial invitation to the 26th International Congress for Commercial Arbitration (ICCA Congress), to be held in Mauritius on 11 May 2016.

It is an honour for Mauritius to have been selected to host the ICCA 26th Congress. We assure that the Host Committee will do its best to make it a truly memorable Congress, at which participants can experience the warm and generous welcome of which we Mauritians are so proud. The academic programme and related events will be held at various locations on the beautiful island of Mauritius, allowing visitors to discover the scenic splendour of this tropical paradise: its world-famous beaches, volcanic mountains, lush green fields, historic buildings and estates and, of course, the vibrant modern commercial and financial hub of the region.

For Mauritius, hosting this ICCA Congress in 2016 represents a natural step in establishing our country as a centre of excellence for international arbitration in Africa. Mauritius is perfectly suited to play a leading role in developing the theory and practice of international arbitration in Africa, reflecting the institutional development and economic growth of the region. The programme of this first ICCA Congress event to be held in Africa will address questions of fundamental importance to our discipline as arbitration gains popularity in one of the most rapidly advancing economic regions of the world.

Welcome Message from the President of ICCA

Dear friends,

I welcome you all to the ICCA Congress that will be held in Mauritius from 11 May 2016. The 26th ICCA Congress is a unique event where participants will have the opportunity to make new contacts and strengthen existing relationships, to discuss the issues of the day, and to contribute to the deliberations of the Congress.
